

**Prairie Watershed Climate Program Rotational Grazing –
Expression of Interest Form**
For increasing the adoption of Rotational Grazing Practices

Seine Rat Roseau Watershed District

154 Friesen Ave., Steinbach MB R5G 0T5
108 Main St S, Vita MB R0A 2K0
Tel: (204) 326-1030 ext4 E-mail: grow@srrwd.ca

Objective: Rotational grazing allows forage plants time to recover, deepen their root systems and improve soil health between periods of grazing.

Activities: Cross fencing, watering systems, improving pasture compositions and creating grazing management plans

Conditions: Funding is activity specific (see below) up to \$100,000 total PWCP funding per producer across all three funding streams.

Applicant: _____

Cell Phone: _____ Home Phone: _____

Mailing Address: _____

E-mail: _____

Please select all activities interested in:

- Cross Fencing and Watering Systems to support Rotational Grazing Plan (85%/15% cost share up to \$18,000 per quarter section, up to a max of \$100,000.00)
- Improving pasture Composition by seeding legumes (85%/15% cost share up to \$50/acre)
- Agronomic Support for Completion of Grazing Management Plan (50% up to \$400 max)
